

2019

ANNUAL
REPORT

SANTA BARBARA
MUSEUM
of
**NATURAL
HISTORY**

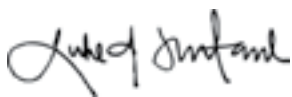

Having completed the centennial project improvements the previous year, 2019 was our first year fully open with our new halls and the Sprague Butterfly Pavilion. Both the Museum and Sea Center had banner years! We had our highest attendance and most Museum memberships ever. We were awarded Best Museum by readers of both the *Santa Barbara Independent* and *Santa Barbara News-Press*. Santa Barbara Beautiful also honored the Museum with their 2019 Santa Barbara Commons: Public Open Space award in recognition of our frontage's role in bringing community together to learn and interact with nature.

The Sea Center unveiled a new installation highlighting our role in collaborative efforts to bring endangered White Abalone back from the brink of extinction. The Department of Vertebrate Zoology made a major upgrade to protect the scientific value of its core specimens for future generations.

We underwent a \$3.2 million restoration of Fleischmann Auditorium, unveiling it in time for the Folk & Tribal Arts Marketplace in December.

At the heart of our success is the support from Members, donors, and visitors. Thank you for making the Museum and Sea Center the Central Coast's premier institution where nature engagement and science learning are personal and meaningful for each and every guest.

Sincerely,

Luke J. Swetland
President & CEO
