

Nature Scavenger Hunt

GET A "SNEAK PEEK" OF THE MUSEUM'S
NEW NATURE EXCHANGE PROGRAM

Saturday, January 27

9:00–10:30 AM

Become a collector! Go on a scavenger hunt to find rocks, fossils, shells, or other natural objects. Earn points based on your knowledge of the object. The more you know, the more points you'll be awarded. Use your points to trade your object for an item from the Nature Exchange trading case. Light breakfast snacks included.

RSVP: membership@sbnature2.org.

Members of the Kids' Club enjoy 3 family friendly events per year.

To register your child for the Kids' Club call Leana Orsua at 805-682-4711 ext. 114.
