

Underwater Parks Day Festival

SATURDAY, JANUARY 20
10:00 AM–3:00 PM
at the Sea Center on Stearns Wharf
FREE WITH PAID ADMISSION

Celebrate Marine Protected Areas which are “underwater parks” that preserve the biodiversity and abundance of ocean life in our coastal waters.

- Dive into the world of marine science with interactive activities and crafts
- Go on an aquatic quest, solve a riddle and win a prize
- Experience marine entanglement and analyze impacts of marine debris
- Connect with marine conservation specialists to learn more about the SB Channel

Information: Call Jackie Hunt at
805-962-2526 ext. 110 or jhunt@sbnature2.org.
