

2014 ANNUAL REPORT

SANTA BARBARA MUSEUM OF NATURAL HISTORY

2014 was an exciting year for the Museum and Sea Center. We had strong attendance at both campuses. The Sea Center had over 97,000 visitors last year, the highest on record and we are confident we will pass the 100,000 mark in 2015. Financially, we outperformed our 2014 budget, both on the revenue and on the expense side. And our endowment grew by almost \$1 million last year.

We unveiled our new tide pool installation at the Sea Center and we opened our *Curiosity Lab* at the Mission Canyon campus. Both of these new spaces are exciting and transformative peeks into our future. In September, we held our second Symposium on Human Origins and the scientists that came from all over the world to participate drew full houses at each of the two day sessions both at the Museum and downtown at the Lobero Theatre.

A number of important collections were also gifted to the Museum. A butterfly collection comprising almost every species found here in California. Another collection consisting of 920 fossil ammonites was gifted to us. Three significant shell collections arrived as well as a number of important rare books that were gifted to the library. Numerous smaller collections also arrived which fill out our holdings.

In March of 2014 we submitted our Master Plan and updated Conditional Use Permit application to the City of Santa Barbara; these were unanimously approved by the Planning Commission in early January of 2015 with tremendous community support. This effort, which we are calling our Centennial Project, is underpinned by our *Centennial Campaign*. Under the leadership of Campaign Chair Palmer Jackson, Jr., we have now raised over \$11 million towards our final goal of \$30 million!

The support of the donors listed here, the 5,571 Members, and the 197,000 visitors are what make the Museum and Sea Center possible and it is with your support that we will accomplish our campus renewal.

Thank you to everyone listed in the Annual Report and to everyone who supports the Museum.

I hope to see you at the Museum and Sea Center soon!

Sincerely,

A handwritten signature in black ink that reads "Luke J. Swetland". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Luke J. Swetland
